**Why Paper?**  
At Volley, led product design for voice AI user experiences on platforms like Alexa and

1st follow-up  
Nudge candidates who haven't responded yet to help garner interest.

Editor

Hi Paper,

Just circling back on the previous email as I didn't hear back from you. I understand how busy schedules can get.

I wanted to highlight that at Humanly, we offer competitive salary, comprehensive benefits package, and equity options. Your financial well-being is important to us.

Do let me know if you're interested and we can schedule a call.

Regards,  
Vanessa

MOSSADAMS

Hey Chelsea! Thanks for showing interest in Moss Adams. We are searching for the best people to join our growing Sales Team. We are excited to get to know you better!

Let's get started!
