

THE PLATFORM THAT GROWS PEOPLE

Build a better workplace for your people

We know that when you grow your people, you grow your business. That's why we built bob, a global people management platform that helps fast-growing companies attract, excite, and retain their people.

Why bob?

Scale smart

bob grows with you, adjusting and adapting for new joiners while retaining culture as you scale your company.

Put people first

bob empowers you to view your people holistically and provide them with a tool built with them in mind. Managers, C suite and teams alike enjoy an inviting UI and engaging features.

Ignite culture

Enhance your company's unique culture through a complete set of engaging tools that welcome new joiners and bring people together.

Get the bigger picture

With all things people management in one place, ensuring data accuracy and efficiency. Meeting your people where they are, in their natural flow of work.

The power of bob

Ease HR processes and grow your culture

Core HR

Streamline processes through intuitive documents management, automated workflows, and approvals.

Onboarding

Start off on the right foot, by giving your new people a feel for your company culture, values, and team.

Talent management

Unlock performance to understand attitudes and feedback with performance reviews, surveys, lifecycle tracking, and analysis tools.

Payroll

Manage all your compensation information in one place for quick, easy import into your payroll systems.

Culture

Empower your people through clubs, superpowers, shoutouts, and kudos, and retain your best people for longer.

Time management

Ease the process of tracking time off and work hours via desktop, mobile, and Slack.

Reporting and insights

Intuitive dashboards, reporting, and org charts provide insights about your people so you can make smart, data-driven decisions.

Customizable

Configure bob to your way of working, adjust as your company scales, and manage your global sites with built-in field localization.

Engaging UI

Draw your people in and empower them to grow with bob's fun interface, inspired by the social platforms we've all come to know and love.

“One of the more innovative new core HCM platforms is a product called bob, designed as a management platform first and HR platform second, so its entire design is focused on what information managers, employees, and executives need.”

JOSH BERSIN | Bersin by Deloitte

“It's not just an HR admin thing, bob helps us manage our people, our talent, and our culture, in an effective and supportive way - it's simple, it works, and people are happy to use it.”

NEIL CHRISTIE | Wieden + Kennedy
