

[HelloTeam](#) is an All-in-One People Success Platform. Clients that we support include technology, life science, professional services, manufacturing, educational and non-profit organizations worldwide.

The ROI for our clients is a customizable solution that achieves the following:

- **Communication and Collaboration** - an interactive Dashboard for Communication, Employee Profile, Organizational chart, Directory, and Slack integration
- **High Fives:** to promote Peer to Peer Recognition
- **Goals and Performance:** Technology that captures an organization's goals while allowing management to conduct 360 Performance Reviews with supporting analytics
- **Employee Surveys:** a platform that is allowing Employers to send surveys on demand to capture the pulse of one's employees as it relates to culture.
- **People Analytics** - Hiring, Retention, Turnover, and Tenure Reports
