

Why Ask Pro?

myHRcounsel™ was born out of decades of employment law experience and basic computing skills. We decided to make Human Resources digital, and provide a resource that delivers legally backed answers to any HR question at a price that is affordable and predictable. And we'll do it in minutes/hours versus days or weeks! We also used this same methodology to offer myHRcounsel Pro™, our online contract drafting and review service and basic corporate law advisory service.
