

Choice Screening + **JAZZHR**[™]

Integration FAQ

Do I need separate login credentials for Choice Screening?

No, with our integration you will have a single sign-on.

What products and package should I run on my candidate?

Your dedicated account representative will work with you to create custom packages that fit the positions you are hiring for, your compliance requirements, and your budget.

What steps do I need to take to start using the integration?

Choice Screening will set up an account for you and provide access information. After a few simple configuration settings on your JazzHR account, you are ready to start utilizing this time-saving integration!

Why use the Choice Screening and JazzHR Integration?

The Choice Screening + JazzHR integration streamlines your hiring process and delivers a superior candidate experience. Our compliance expertise, knowledge of products, innovative technology, and excellent support provides you with the tools necessary to make informed hiring decisions.

Who do I contact for support and questions?

You will be assigned a dedicated account representative to manage packages, answer background screening and compliance questions, and more. Or, our service team can be reached at customerservice@choicescreening.com or 1.877.929.7878. At Choice, you always Talk to a Human!
