Completion in 5-7 business days

Why Employee Handbook+?

Legal Advice, Evolved

myHRcounsel™ was born out of decades of employment law experience and basic computing skills. We decided to make Human Resources digital, and provide a resource that delivers legally backed answers to any HR question at a price that is affordable and predictable. And we'll do it in minutes/hours versus days or weeks!

When I joined our two companies, we had one handbook that was 4-1/2 years old and another that was 11. In the world of handbooks, they were both ancient. Our goal was to continue uniting the two acquired companies and the handbook played a key role in the integration. We ended up doing a complete re-write, and myHRcounsel was patient and very helpful in guiding us through the process.

— David O.
