

Fair Screen

Fair Screen is on a mission to change background screening...for the better. We deliver an industry-leading combination of speed with innovative technology to improve both HR efficiency & the applicant experience. And we don't stop there. Fair Screen also offers our clients additional FREE services to help reduce the potential for discrimination. These include policy assistance, relevancy scoring of criminal records, and fulfillment of several time-consuming compliance steps. **Screening the way it should be.**

We deliver fast and accurate results **you can trust.**

 **Super-Fast Speed**

 **Global Reach**

 **Industry Leading Accuracy**

 **FCRA Certified by PBSA**

Candidate Experience

Fair Screen takes candidate experience to the next level! We constantly put ourselves in your applicant's shoes. We have sought applicant feedback on our processes, communication, and applicant input even played a key role in the development of our web ordering platform.
