

Industry Standard vs EasyLlama

The Old Way of Workplace Training

Compliance training has been outdated for too long.

-  Outdated content
-  Expensive
-  Low completion rates
-  Hard to access data
-  Bad acting
-  Inefficient
-  Time-consuming setup
-  Lack of integrations
-  Dull modules
-  Incompatible with mobile
-  Difficult to assign
-  Bored Learners

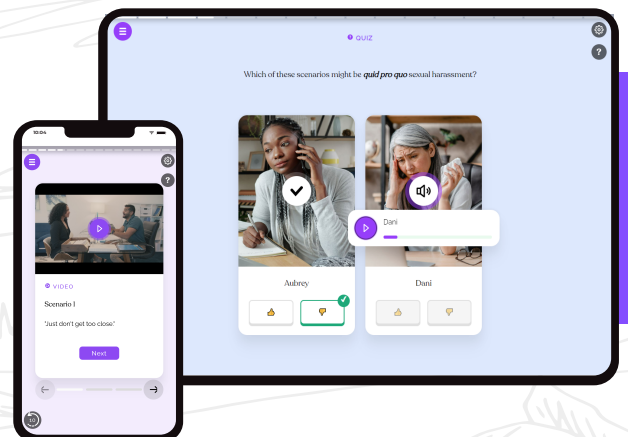

THERE IS
A NEW LLAMA
IN TOWN

Compliance Reimagined

EasyLlama wanted to do things differently.

Training courses inspired by the content consumption habits of modern learners. Smaller nuggets of information are not only the new way of absorbing content but they also promote retention so you can create a workforce free from harassment and discrimination.
