Streamline your recruiting process with HireRight & JazzHR

HireRight and JazzHR have built an integrated solution to consolidate critical recruiting and background screening requirements into one solution to deliver convenience, control, faster results, and better-quality hires. For over 30 years, HireRight has been a leading global provider of employment background screening solutions, helping customers to mitigate employee risk and make better informed hiring decisions.

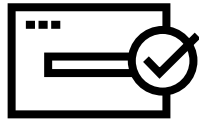

HireRight offers an integrated solution that enables users to order HireRight background screening services seamlessly and in real-time with just a few clicks from within JazzHR. Candidate information transfers from JazzHR to the background check form reducing duplicate data entry, administration, and time. Once the order is submitted,

background check results begin appearing for the recruiter to view moving quality candidates more quickly through your recruiting and hiring process.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

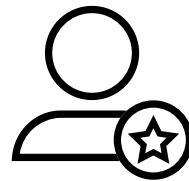

Through our partnership and integration, HireRight and JazzHR are assisting mutual customers to achieve a recruiting and background screening solution with truly optimized performance.
