## MAKE YOUR BACKGROUND CHECKS A LOT BETTER

- User-Friendly Client Module
- Web-based Order Management and status tracking
- Gateway to your applicant tracking system
- Reduction of data entry
- Speedy turnaround times

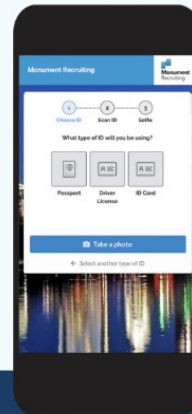

## PEOPLEG2 SWIFTID: MOBILE IDENTITY VERIFICATION

### SwiftID Check

Instantly validate photo ID's, driver licenses and passports using a barcode scan and machine readable technology.

### SwiftID Selfie Match

Go one step further by using the Mobile Identity Verification Services. Use the latest AI technology to match a real ID against a live selfie photo of the applicant.
