Our Services

Global Payroll

Remofirst hires your full-time employees & contractors on your behalf in 150+ countries, no need to invest thousands and spend months setting up a local entity.

Pay and manage global workers with locally compliant contracts, avoid misclassification risks, pass audits, and manage your international team in one place.

International Benefits

Set up payroll and benefits for your team all at once. With Remofirst you can offer your global employees:

- Premium Health Insurance (medical, dental, vision)
- Work Equipment (laptops, monitors, chairs)
- Financial benefits (international pension plans and 401(k) retirement)

Remofirst is built on three main pillars:

1. **Cost Effectiveness.** Best price on the market, if you find a better price we will match it.
2. **No Hidden Fees.** We don't have any additional fees, only one fixed flat rate.
3. **Trust and Reliability.** Our partners have been doing payroll for 20+ years on average, and processed \$500M+ in payroll.
