The screenshot displays the 'Insurance members' dashboard. At the top right, there is a green button labeled 'Add new members'. Below the title, there is a search bar 'Search all members...' and filter options 'Filter by group All' and '& status All'. An 'Export as CSV' button is also present. The main table lists members with columns for Status, Name, Group, Email, Residency, Tier, and Cost. The status column uses colored pills: blue for 'Invited', orange for 'Processing', green for 'Active', and grey for 'Expired'. A summary bar at the bottom of the table shows 'Insurance status 1 invited · 1 processing · 5 active · 1 expired' and 'Estimated monthly total \$880'. At the very bottom, there is a pagination control showing 'Showing 8 items per page out of 88' and a page number '2' highlighted.
