

Global health insurance for remote workers and nomads

Support you can rely on

You get dedicated 24/7 human support from day one.

Choose any doctor

Get the care you need with coverage at any public and private hospital in the world.

Live & work from anywhere

Work from anywhere in the world. You can move countries without changing your insurance.

Insurance highlights

Choose any country

Take your insurance wherever your life takes you. We cover 175+ countries worldwide.

\$1,500,000 coverage limit

Be confident that your insurance is strong enough to cover even the worst case scenario.

Fast and easy claims

Payment can be arranged directly with the hospital, or through our online claims process for reimbursement within 15 days.

Wellness coverage included

You're covered for up to 10 mental health visits and have partial coverage for complementary therapies.

Private medical insurance benefits

Freedom to choose the hospital you want

Using a public health service can often restrict the hospitals you can visit.

Eligible for cash payout

Get paid up to \$150/night when staying in a free public hospital, or when your treatment is covered by a different insurance.

Faster treatment

Hugely reduced wait times to get the treatment you need by not joining public waiting lists.
