SOCIAL MEDIA SCREENING

Ensure that a candidate's online activities align with your company's values and reduce blind spots in the hiring process by leveraging **social media screening**. This innovative screening approach **compliments standard background screening** by enabling you to evaluate a comprehensive view of candidates' online presence.

Verified First Social Media Screening empowers organizations to **make more informed hiring decisions, thereby reducing potential risks and improving the quality of their hires**.

ELIMINATE DIGITAL BLIND SPOTS

Insights
Gain deeper insights into your candidate's online presence.

Comprehensive
We monitor over a dozen behavioral attributes and screen numerous platforms to identify potentially risky conduct on more platforms.

Compliant
Our screening strictly follows all federal, local, and international laws, including **FCRA**, **EEOC**, and **GDPR**, to ensure compliance.

50%
Over 50% of employers using social media to screen candidates discover key information that helps them select the right hires.

$12.8K
Studies have shown that the average cost of hiring and replacing a toxic employee is over $12,800.
