

Source Smarter, Hire Faster

What could your team accomplish with an **extra 12 to 17 hours back per job?**

The possibilities are infinite with Leoforce's Source and Engage, which can **eliminate 98% of sourcing and outreach** by streamlining recruiting processes and delivering interested, pre-vetted talent from your ATS or sourcing channels.

The Strategic Way to Source and Engage Candidates

Decrease the Time to Hire

Save your recruiters time by expediting the sourcing process with interested, quality checked talent.

Reduce the Cost to Hire

Enhance your recruiting operations without adding to your team's workload, recruiting budget, or headcount

Improve the Talent Quality

Rediscover top talent from your existing talent pool or source interested, pre-vetted applicants from your sourcing channels.

Why Choose Source and Engage?

Let us handle the sourcing, so your recruiters can focus on hiring.

- ▶ Adopt AI without workflow disruption
- ▶ Get AI and recruiter pre-screened talent
- ▶ Only pay for interested, best match candidates
