

JazzHR's Integration with Universal Background Screening provides customers the advantage, security and strength to properly interview and complete the background check process. The partnership gives customers easy access to process accurate, timely and compliant background screening services. Universal continues to be an industry leading screening provider with years of expertise in areas of employment background checks, drug testing and occupational health services. The integration with JazzHR promises flexibility and a user-friendly experience for your organization.

UNIVERSAL'S HIGH CLIENT SATISFACTION CAN BE ATTRIBUTED TO SEVERAL FACTORS:

DEDICATED APPROACH

Universal will assign you a dedicated Account Executive to support your account and screening program.

COMPLIANCE

Universal is accredited by the National Association (PBSA) and complies with all State and Federal regulations.

CUSTOMER CARE

Universal provides you with a responsive customer service team to help you manage your account.

QUICK TURNAROUND TIME

Universal applies urgency to each and every order ensuring that every report is completed timely.

TECHNOLOGY

Universal's secure, web-based system provides 24x7 ordering, status updates, report access and online invoicing.

DISCOUNTED RATES

Universal automatically provides you discounted rates and no account setup fees.

UNIVERSAL DELIVERS SEAMLESS INTEGRATIONS WITH QUALITY AND ACCURACY.
