

A Unified Approach to Screening for Every Role

Supporting Your Entire Workforce and Community with a Suite of Solutions.

Every role matters - whether you're welcoming a new hire, onboarding a contractor, or managing student placements. Verified Credentials helps you screen smarter with intuitive tools, integrated workflows, and decades of trust behind every result.

Tailored platform solutions
for every role

Compliance made easy
with built-in controls

Trusted results, faster
with streamlined ordering

Modular by Design. Powerful Together.

Use one or all solutions – your experience is unified, secure, and scalable.

	Staff, employees, and volunteers	Background checks, onboarding, compliance
	Vendors, contractors, and third-party access	Credentialing, access control, compliance verification
	Colleges and universities	Placement readiness, document tracking
	Students and individuals	Digital credential wallet, personal checks
	Affiliate sites	Shareable background reports and credentials

Ready to simplify screening? Let's talk.

Solutions for Any Organization

- 1. Background Checks:** Criminal and ID searches, verifications, and more.
- 2. Drug Testing:** Over 50 drug testing panels available with a nationwide network of labs.
- 3. Other Requirements:** Physicals, social media, and much more.

Trusted by Industry Leaders

We support organizations of all types by helping screen everyone who will be a part of your environment, including full-time staff, volunteers, contractors, vendors, and students.

With Verified Credentials, you can work with one trusted partner across your entire organization. Our solutions make it easy to complete background checks and fulfill requirements through a simple, guided online experience. This saves your team time, improves compliance, and reduces administrative work.

Manage everything with flexible options, automated tracking, and experiences tailored to your policies.

Verified Credentials makes verifying backgrounds and managing end-to-end site access with:

- Employee Screening
- Volunteer Screening
- Contractor Access
- Student Placement
- Self-Service Credentials
- Report Sharing Tools
