## Benefits to companies

### Responsive support

When you need help, support is on the line fast. We answer calls in 3-5 seconds.

### Unlimited attempts to verify

We keep making attempts to verify work history with no extra fees or cut-offs.

### Mobile candidate portal

Candidates can provide information and signatures and track updates on the go.

### Scalable solutions

Our agile solutions to fit organizations of every size and industry.

## Our services

Verified Credentials is trusted by thousands of organizations across many industries. We help employers screen job candidates using a variety of accredited background checks, verifications, and drug tests.
