Verified First
BACKGROUND SCREENING WORKFLOW
Experience the better way of screening.

Elevate your hiring strategy with Verified First's easy-to-use background screening solution. Our workflow integrates directly with your 100+ HR platforms, delivering fast, accurate, and compliant background checks.

1 Download the Verified First browser extension.

Visit your preferred web browser store, download our browser extension, place your order within your HR platform, and **BAM! Your job here is done.**

2 Identify, Trace and Search.

We take it from here, starting our search with address tracing.

National Scope of Search

Criminal Record Search:
- Global Security
- Nationwide Criminal Database
- Federal Criminal Records
- And more!

Nationwide Sex Offender Registry:
- All 50 states
- Provided by U.S. Department of Justice

Courthouse Search:
- Verify Nationwide Database search hits

Local Scope of Search:

County
- County Criminal & Civil Records

State
- State Criminal Records

3 Verify the results.

We're **Verified First** for a reason. With every background check, we:
- Verify accuracy
- Ensure FCRA Compliant Reports
- Offer adjudication

4 Background check complete!

Simply open the **VF Connector** in your desired HR platform to view the final results.
