How JDP Verification and Reference Services Work

- 1 JDP will reach out to your candidate's listed employers, schools and references via email and phone.
- 2 We'll make 4 attempts to complete each verification over 4 days.
- 3 A standard list of questions will be asked during the verification, unless you request otherwise.
- 4 You'll get a report with any information that doesn't match the candidate-provided details, as well as any other information shared with us during the verification process.
